.About Us . . .

B.I.T. Construction, Inc., is a woman owned, State of Texas HUB and City of Austin MWBE certified corporation founded in Austin, Texas in 2006. the philosophy and culture of B.I.T. Construction and it's management is built around a model that will set the pace and tone for a servant leadership driven business.

Mission Statement . . .

To Provide Unsurpassed Service while maintaining *Integrity, Quality and Honesty* above all. Our goal will be 'professional excellence' and our mission will be to empower & grow with those we serve, both our clients and our employees.

"B.I.T Construction is founded on the principle that we must give back to the community and mentor those we serve. Our servant leadership is practiced daily by reaching out to the community and helping those in need, to find work and ongoing training, as well as to help those who need a hand up, rather than a hand out. We believe in treating all employees with dignity, respect and compassion. Our mission and vision are rooted in our community, our employees and the clients that we serve. Our commitment to you is to far exceed your expectations and provide a service that mirrors excellence and integrity above all. Our goal is to impact your project and our community. Because truly, a little B.I.T Goes a Long Way." - **Britanie Olvera – President & Founder**
