## About Our Company

**Vega Septic and Environmental Services, Inc.** is a licensed & insured, woman owned, City of Austin Certified company headquartered in Austin. The Company was founded in 2003, but the owners Sandy Martinez and Julio Vega, together have over 10 years experience in the industry.

## Core Business

Vega Septic and Environmental Services, Inc., licensed and insured for your protection, **SPECIALIZE** in Septic Systems.

In the Landscaping Division, the company *designs, installs and repairs* Sprinkler Systems with a **2 Year Warranty** for all newly installed systems, and a **FREE** professional sprinkler design with any new installation!

When it comes to **Hydro-Seeding** . . . , an excellent alternative to expensive sod grass, our staff of experts **SPECIALIZE** in creating lawns that will make your neighbors envious!
